

“Set The Table”

Many Christian MDRT members and their guests have gathered before the Annual Meeting for more than 40 years to provide a meaningful connection with God, enhance their MDRT experience and bring renewal and encouragement to members. That tradition continues June 9-11, 2016 at the University of British Columbia in Vancouver, Canada.

This fellowship “brings the power to change your life and not just improve your business. That’s what keeps drawing me back each year.” Jude McDaniel.

You will have time to focus on your beliefs and how to live out your faith every day. You will network with members who are there to develop their faith. Bring your Bible for our small group discussions and there will be plenty of time for prayer and worship. Our group meals build friendships that carry over to the MDRT meeting and can last a lifetime. We begin with dinner on Thursday and end with lunch on Saturday. Come, join fellow Christians of all denominations from around the world before the MDRT Annual Meeting.

What can I expect? The Christian Study Group offers an extended time to focus on what you believe and how you live your faith out. We tend to concentrate on work and family issues and opportunities for developing our faith. The meeting is centered around teaching lead by our speaker Dr. David Talley. You will want to bring your Bible. There is also time for small group discussion and concentrated prayer. We have two pastors available for individual prayer or counseling. Joint meals provide an excellent time for getting to know other study group members. These friendships carry over into the MDRT meeting and into the rest of the year.

How often do you meet? We meet once a year just prior to the annual MDRT meeting. We begin with dinner on Thursday evening and go through lunch on Saturday.

Why should I attend? This group is unique because "it brings the power to change your life, not just improve your business. We go away knowing more of the depth of Gods love for us. It is what keeps drawing me back each year." Jude McDaniel
